To Whom It May Concern:

It is with pleasure to write a letter of support for Mr. Anthony Grondin and Grondin Construction.

Over the past five years Mr. Grondin has involved himself and his company in supporting the mission of Rebuilding Together San Diego, a 501 C 3 non profit, in the renovation and preservation of affordable housing for low-income homeowners. He has generously donated time, expertise, materials and financial resources on numerous projects, which has included two home renovations in the City Heights community.

I have only witnessed professionalism, integrity and compassion displayed in all the undertakings of Grondin Construction and they have a respected reputation of a company who walks it talk.

We are proud that Mr. and Mrs. Grondin have also chosen RTSD to volunteer on our board of directors. Separately and together they have worked to strengthen our charitable organization and in turn have impacted homes, neighborhoods and lives throughout San Diego.

Our community has truly benefited by the involvement and dedication of Grondin Construction, and I recommend that they be placed on the short list for any and all of your project considerations.

Sincerely,
